

Get Ahead with ReadCloudVET

Discover the tools to help you succeed in your VET Program!

Our platform and learning and assessment materials are designed to support and help you achieve your study goals. With flexible and accessible learning in mind, we encourage you to make the most of the features our platform offers.

Intuitive and Inclusive Design:

- Plain fonts and clear colours for easy navigation
- Clean and tidy look to avoid confusion
- Relevant visuals and easy-to-read instructions

E-Reader Benefits:

- Looks like a real book that you can also download and print
- Customisable text size, brightness and fonts
- Choose vertical or horizontal layout
- Bookmark pages and add your own notes

Interactive Learning Tools:

- Click on words for definitions
- Highlight passages to hear them read aloud
- Translate and read passages in another language

Track Your Progress:

- Use a progress bar to easily see your current status of tasks and how much you have left to complete
- Colour-coded system to tell you if you have feedback or have been marked satisfactory

Make the most of these features to excel in your VET program! If you have any questions, remember we're here to support you. Reach out to your VET teacher or our friendly team.

Look out for these Callouts in your Learner Materials
